REAL-LIFE-CERTIFICATE™

Zwolnieni z Teorii confirms that

Jan Pabisiak

has completed a social action project along with the course

Sam Altman's How to Start a Startup II

The Real-Life-Certificate™ confirms that the participant applied professional business tools from the course in a real social action project. This learning method pioneered by Zwolnieni z Teorii - called the Social Action Project Method™ - enables participants to apply the course content in a real-life business situation and receive valuable feedback from local partners, which in turn helps them make radical improvements in their skills.

About Zwolnieni z Teorii:

The Real-Life Certificate™ is provided by Zwolnieni z Teorii, the go-to platform for creating original social action projects and developing skills of the future. Zwolnieni z Teorii pioneered the Social Action Project Method™ - a learning method which enables participants to apply the course content in a real-life business situation and receive valuable feedback from local partners, which in turn helps them make radical improvements in their skills. For it's work, Zwolnieni z Teorii has received awards such as: MIT Innovators Under 35, Forbes 30 Under 30 Europe and the Effie Awards.

Zwolnieni z Teorii' purpose is to create an accountable society prepared for the careers of the future. We act to ensure that by the year 2030 all young people, who graduate from college worldwide, have completed a social action project as a way to prepare themselves for the careers of the future and learn accountability.
